## II. 对话理解

(A) 请听下面五组小对话,根据你所听到的对话内容,选出能回答所提问题的最佳选项。每组对话读两遍。

6. M: I plan to graduate from college in three years' time instead of the average of four.

W: Why are you rushing yourself? I thought you had a part-time job.

7. M: Which do you like better, basketball or football?

W: I prefer basketball to football. I don't know any rules of football. So I get bored.

8. M: I don't feel very well lately. I don't know what's wrong with me, Dr Li.

W: Maybe you should take some medicine and get some more sleep, John.

9. W: I really want to be a teacher when I grow up. What about you, Jason?

M: My father hopes me to be a doctor, but I really want to be a police officer when I grow up.

10. W: Where did you go this summer holiday?

M: I had planned to go to the USA with my aunt. But instead I went to Australia with my parents.

(B) 请听下面的对话,选择能回答所提问题的最佳选项。对话读两遍。

M: Linda! I was looking for you. I wanted to ask what you're planning to do this weekend.

W: What's up, John? I have no plans. Do you have something in mind?

M: You shouldn't just stay at home. You should join us! We're planning to go hiking in the Azusa Mountains on Saturday. You really must join us.

W: That sounds great, but I haven't hiked for a long time. I'll get tired easily. It might be too hard for me.

M: It won't be hard! All you have to do is walk and enjoy the scenery of the mountains along the way. The mountain is not that tall. There's no way you can't do it. Plus, we're going to have a delicious picnic on the top of the mountain.

W: That should be exciting. I certainly love picnics. But, you know what? I can't go hiking without boots! Where

can I get a good pair of hiking boots?

M: You should go to the shop near our school. I can take you there after class today. It's close by and the prices are low. I'm sure you'll find a pair of boots that you like.

W: Sure, that sounds great, John. Thanks so much for your help. I'm starting to get excited about hiking now!

### III. 短文理解

(A) 请听下面的短文,根据你所听到的短文内容,选择能回答所提问题的最佳选项。短文读两遍。

When I was younger, my brother, George, used to read me scary stories before bedtime. He was a great storyteller. I had to ask him to stop, though, because every night he read me stories, I would hear strange sounds and see shadows in my room. I would rush to turn on my light and then see nothing there. Over time, I noticed something. It was very strange that when my brother didn't read me a story before bed, I wouldn't see or hear anything strange. This got me thinking. I concluded my brother was probably playing tricks on me, but I needed to catch him to know for sure. One night, I asked my brother to read me one last story. Before I got into bed, I put my empty garbage can in front of the door. Then I sat and waited by the light switch and clicked it on as soon as I heard a noise in my room. My conclusion was right! It was my brother pretending to be a ghost all along! That was the last time I had him read me a bedtime story.

(B) 请听下面的短文,短文中有十个空白的单词或短语,根据你所听到的单词或短语填空。短文读两遍。

Hairstyles have certainly changed over the years. In the 1970s, both long and short hairstyles were popular with singers and artists. The 1980s were all about huge hair. Rock was a very popular style of music in the 1980s. Rock musicians used a lot of hairspray to create some of the biggest hairstyles the world had ever seen. Public opinion was that the bigger your hair was, the better it looked. I feel embarrassed when I look at my old pictures from the 1980s. My hair had so much hairspray in it. Hairstyle trends shifted to straight hair in the 1990s. Women preferred their hair long. Nowadays, shorter haircuts are a popular hairstyle among women. Many women want to have hair that is easy to take care of. I think a natural, easy-to-care-for style looks nice on anyone. That's why I've made an appointment with my hairdresser for tomorrow.
